## THE SOLUTION

With an intelligent retail ATM from Cash Connect you can enjoy a 3-way cash management solution - a cash vault, a cash dispenser and a cash recycler - all in one!

The EasyPay Cash ATM, not only reduces your risk, but also enables you to earn a rebate from each cardholder withdrawal. This solution allows you to recycle the cash in your store, and save on cash deposit and cash-in-transit (CIT) fees. You can enjoy best-in-class technology - the biometric functionality enables cashiers to *cash-and-dash*, allowing for quick and seamless cash deposits, and it also increases accountability amongst staff when dropping cash.

With the option of real-time settlements\*, you can rest assured that you will always have instant access to your cash, at the click of a button, whenever you need it!

## SERVICE SUPPORT

With our customer-focused approach, we will support you every step of the way.

- National footprint of certified technicians, guaranteeing fast and reliable on-site customer support.
- A contact centre manned by skilled support agents operating 24/7/365.
