We put the bank in your store

The Connectr N3K, is a compact under-counter intelligent, automated cash vault that provides the necessary security, cash management features and capacity retailers need. A compact design means it will fit into stores with limited floor space.

- Built to a minimum SABS category 4 standard
- Capacity of up to 3 000 banknotes
- Robust device: approximately 600kg
- Up to 64 banknotes per minute processing speed
- Disposable single bag-based device
- Unique drawer slide door design (conventional swing hinge mechanism removed)
- Compact, under counter solution
- Able to load 10 agnostic bank accounts of your choice on the device (upgradeable to 20 bank accounts)
- Cash-in-Transit (CIT) & Bank agnostic
- Load 99 users
- Easy to use touch-screen navigation
- Dual SIM GSM/GPRS modem (communication)
- Reliable and accurate validator
- Biometric user identification

THE SOLUTION

At Cash Connect we provide you with more than just a tin box to store your cash! In fact, we provide you with a complete end-to-end cash management and payments solution that will not only save you time and money, but also improve your cash flow.

We guarantee your cash with an immediate risk transfer once you deposit your cash in one of our cash vaults. By offering you same day value, reduced shrinkage, competitive cash deposit fees, a managed Cash-in-Transit service and instant access to the cash in your vault – we move the bank to your store!

SERVICE SUPPORT

With our customer-focused approach, we will support you every step of the way.

- Over 150 certified technicians operating out of 26 points of presence, guaranteeing fast and reliable customer support.
- A contact centre manned by skilled support agents operating 24 hours, seven days a week.
- Specialist business consultants capable of designing solutions to meet every specific business need.
- Access to an online client portal to view your deposits, recons, transaction history and download financial reports.
- Install the Cash Connect app to apply for business funding in 24 hrs, or to make use of Instant Access to get real-time access to the cash in your vault, at the click of a button!
- A team of account managers who are dedicated to the ongoing care and support of our clients.
